

Like A Bat Out Of Hell (the skydive)

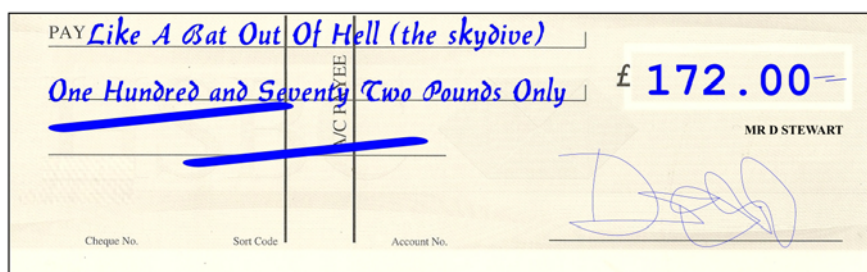

has happened. However, where possible, try collecting the money as you go along. If sponsors prefer to give their money over once the jump has happened, please make sure that they provide their contact details clearly on the sponsorship form.

Be A Sponsor Collecting & Sending Us The Money

This is to explain and clarify the collection procedure regarding sponsorship monies pledged on the sponsorship forms.

If you have made arrangements with me which contradict the following information, don't worry! I'm happy to maintain those pre-existing arrangements.

Sponsors are not obligated to hand-over their sponsorship before the jump has happened. However, where possible, try collecting the money as you go along. If sponsors prefer to give their money over once the jump has happened, please make sure that they provide their contact details clearly on the sponsorship form.

Once you have collected all the monies, please could you send me a cheque for the total amount.

Cheques need to be payable to 'Like A Bat Out Of Hell (the skydive)', and **must be accompanied** with the corresponding **sponsorship forms**.

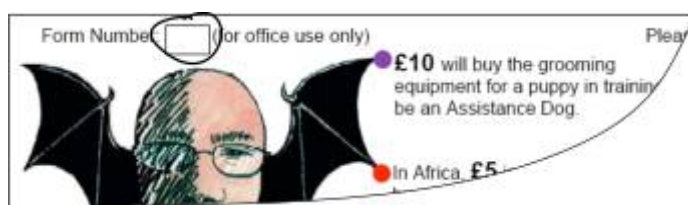

Your name: **Daniel Stewart**

Your company's name (if applicable): **N/A**

Sponsorship form numbers: **1, 2, 3, 4, & 23**

On the reverse side of the cheque, please could you put your name, the name of your company (if applicable), and the sponsorship form numbers (see below for more information on where the form numbers can be found).

Each sponsorship form will have its own unique number written into the box (as shown on the right of your screen). This is to identify its location and/ or the person in charge of that particular form. It will be written in by hand before it is sent to you. This allows us to keep track of how much money we are raising and to enable us to credit the right people for collecting the monies.

When you're ready to send the cheques and the forms, please contact me to ask for my address. I don't feel comfortable publishing my address on the Internet, so this is why I prefer to e-mail it to people who are genuine. You can contact me by filling in the form in the [Contact Us](#) section on the project's web site, or by e-mailing me at james.rose@likeabatoutofhell.co.uk.

Please send all monies with your completed sponsorship forms to me by **Sunday 19th July 2009**.

Many, many thanks for helping us to collect sponsors – your help is very much appreciated!
